Innovating Communications

## Video Conferencing

Make Every Space a Meeting Place

### TOTEM 360

360° Immersive Conference Camera + Speakerphone

All-in-one conferencing device with a 360° view

- 360° seamlessly stitched panoramic image
- Four video modes for conferencing, presenting and hybrid learning
- Human & voice AI tracking
- Beamforming microphone array with AI noise reduction

### TOTEM 180

180° Panoramic Conference Camera

Conferencing camera with an ultra-wide 180° view

- 180° seamlessly stitched panoramic image
- Two camera modes for larger and smaller meetings
- AI image auto framing
- Two omnidirectional microphones

### VC-Z4K

AI-Empowered Pan, Tilt & Zoom

Effortless, smart, and versatile – ideal for modern classrooms and live streaming.

- Ultra HD 4K, 1/2.8" SONY sensor
- AI auto tracking, 12x optical zoom
- 340° pan, 120° tilt
- Adapts to any setting with 2D/3D noise reduction
- Plug & play: HDMI, USB-C, LAN (PoE), SDI multiple outputs. Perfect for YouTube, OBS, Zoom integration

### VC-B4K

UHD 4K All-in-One Video Bar

Exceptional group meeting experience

- 4K UHD camera with 120° FOV
- 20W(10Wx2) high-fidelity speakers
- 6 Array mics (pickup 19ft/6m)
- Auto framing & voice tracking
- With up to 10x digital zoom

# Document Cameras

## Have All in Class See Every Detail

### Document Scanners

Powerful and Convenient Scanning  
Powered by AI

- Set for fast and efficient scanning with integrated advanced OCR
- IPEVO doc cam, scanning base, and SnapCapture OCR
  - Four dedicated scanning modes with AI preprocessing
  - Easy to store and carry

### DO-CAM

USB Document Camera

- Most portable, light, and compact
- 8MP sensor from Sony with fast autofocus
  - Folds into the shape and size of a pencil case
  - Doubles up as a webcam
  - Ultralight and highly portable

### P2V ULTRA

Point To View 13MP USB Camera

- Built for all purpose, valuing every detail
- It serves as a webcam, handheld camera, or document camera
  - Ultra-clear image quality with a 13-megapixel camera
  - Macro focus at 0.39 inches/1 cm for precise detailing
  - 100° wide FOV for capturing tabloid [A3] size book details in full

### V4K-13MP ULTRA

13MP USB Document Camera

- Experience astonishing detail and precision in every visual endeavor
- Precision imaging for all visual needs with exceptional clarity using the 13MP camera
  - Microphone with AI noise reduction
  - Built-in LED light
  - Effortless setup with USB plug & play

### V4K PRO 120

4K USB Document Camera with  
Tabloid [A3] Size Capture Range

- Compact and highly portable design
- 120 ° FOV wide-angle for image capturing
  - Unleash stunning visuals: 4K resolution
  - Microphone with AI noise reduction with over 500 million trained data
  - Effortless setup with USB plug & play

### VZ-X

Wireless, HDMI & USB  
Document Camera

- Wireless with features for maximum comfort
- 8MP sensor from Sony with enhanced performance
  - Maximum freedom in connectivity
  - Onboard camera controls
  - LED light and microphone

### VZ-R

HDMI & USB Dual Mode  
Document Camera

- Connects directly to a TV or projector with onboard camera controls
- 8MP sensor from Sony with enhanced performance
  - Can connect directly to a TV or projector
  - Onboard camera controls
  - LED light and microphone

### VZ-X ULTRA

13MP Wireless, HDMI & USB  
Document Camera

NEW

- 13MP wireless, HDMI & USB document camera
- Capture tabloid [A3] size documents in stunning 13MP detail
  - 4K@30fps HDMI output for smooth video transmission
  - Wireless transmission, fast, stable, and auto-configured
  - 10-hour battery life for a school day

### VZ-R ULTRA

13MP HDMI & USB Dual Mode  
Document Camera

NEW

- Connects directly to a TV or projector, with onboard camera controls
- View tabloid [A3] size documents with exceptional clarity using the 13MP camera
  - Smoothly transmit videos with 4K@30fps HDMI output
  - HDMI and USB dual modes
  - LED lighting for low-light environment

### V4K PRO

Ultra HD USB Document Camera

- Bestseller upgraded with AI-enhanced mic and LED light
- 8MP image sensor from Sony with fast autofocus
  - Microphone with AI noise reduction
  - Built-in LED light
  - Multi-jointed stand and adjustable camera angle

### V4K

Ultra HD USB Document Camera

- IPEVO's bestselling doc cam with all the core features
- 8MP image sensor from Sony
  - Multi-jointed stand and adjustable camera angle
  - Onboard microphone
  - Fast autofocus

### IPEVO MP-8M

USB Camera

- USB camera for versatile applications
- 8MP sensor with high clarity and detail
  - USB plug and play
  - IntelliGo AI noise reduction IC
  - Versatile mounting options

## Software

Expand Your Tools and Find New Possibilities

**Vurbo.ai**  
Real-Time AI Transcription  
and Translation

An integrated solution for transcribing, translating, and summarizing live audio content

- Real-time speech-to-text and translation
- Built-in templates for structured summaries
- Supports 90+ languages with bidirectional translation
- Domain-specific terminology recognition
- Floating subtitles and meeting system integration

**Visualizer**  
Real Time Demonstration

Live feed display and camera control for demonstration

- 11 modes for streaming, recording, and teaching
- Real-time image adjustments
- Direct camera controls
- Dedicated teaching tools

**SnapCapture OCR**  
Scanning and Digitization

Scanning and digitization software with AI and advanced OCR

- Integrated advanced OCR technology from **ABBYY**
- Four dedicated scanning modes
- AI image preprocessing
- Scanned files adjustments and export in various formats
