

Promethean ActivPanel 10

The all-new **ActivPanel 10** and **Promethean ActivSuite™** deliver a seamless, intuitive experience that fits your existing technology and evolves with future upgrades. Choose your operating system—Android, Windows, or Chrome—or connect your preferred device for ultimate flexibility without sacrificing security or quality.

Built for Every Learning Environment

- **Flexible Connectivity** – Move around the room and control the panel remotely with premium accessories.*
- **Powerful Engagement Tools** – Integrated apps like Annotate, Spinner, and Screen Share bring lessons to life.
- **Inclusive & Accessible** – Designed with Level Access for engagement at all learning levels.

ActivPanel 10

Why Schools Choose ActivPanel 10

- **Adaptability** – Stay ahead of technology changes without any added burden.
- **Simplicity** – No steep learning curves—just plug in and go!
- **Choice** – Select the OS and security that works for you.

ActivPanel 10 Premium

The most cost-effective, secure, and future-ready interactive display for your classroom

Promethean ActivPanel 10

Five Star + Promethean: A Complete Classroom Solution

Our team is here to help you every step of the way — from demo to installation to professional development and tech support for your teachers. Build your bundle today!

Professional Development

Whether you are upgrading to ActivPanel 10 or want a refresh on your current fleet of Promethean products, Five Star PD is here to assist your educators. Five Star provides top-of-the-line coaching, workshops, grant support, and more. Trust Five Star to be your partner in professional learning!

Virtual Help Desk

When technology stops working in the classroom, learning takes a back seat. Prevent those unnecessary interruptions with Virtual Help Desk from Five Star! Our team of experienced technicians can quickly provide assistance with issues related to your Promethean products and accessories.

Every classroom is unique, which is why we are proud to be a Premier Partner with Promethean ActivPanels.
