

# DATA ANALYTICS

Take The Guesswork Out Of Your Data

**WE BELIEVE A DASHBOARD SHOULD HELP SOLVE A SPECIFIC PROBLEM.**

We understand how frustrating, overwhelming, and confusing data can be. Districts have access to seemingly limitless information but often don't have the time or skills necessary to act on the information.

**That's where our team comes in!**

## LOAD YOUR DATA DIFFERENTLY

- ✓ We do the importing for you
- ✓ Data is securely stored in the Cloud
- ✓ We sync your SIS data in real-time

## LOOK AT YOUR DATA DIFFERENTLY

- ✓ Intuitive interface with minimal training
- ✓ Identify trends with powerful features
- ✓ Flexibly view the data YOU want to see

## LEVERAGE YOUR DATA DIFFERENTLY

- ✓ We are your consulting data partner
- ✓ Prompt support to your questions
- ✓ Training to interpret data confidently

## HOW CAN OUR TEAM HELP YOUR DISTRICT?

At Five Star, we help school teachers and administrators use data to become more **focused**, **empowered**, and **confident** in their actions.

Our team has been helping schools find innovative solutions for 18+ years.
