FIVE STAR
PROFESSIONAL LEARNING

GOOGLE APPLICATION TOOL TRAINING

Delve into a vast array of Google applications to unlock their full potential for productivity and collaboration. These workshops offer hands-on experience and expert guidance, empowering participants to leverage tools like Google Docs, Sheets, Slides, and Drive effectively in their personal and professional endeavors, fostering teamwork, and maximizing efficiency.

GOOGLE CHROMEBOOK TRAINING

Chromebook Training workshops offer comprehensive guidance on deploying and utilizing Chromebook devices optimally in educational institutions. These workshops equip educators with the knowledge and skills needed to leverage Chromebooks as powerful tools for learning and teaching in today's digital classrooms.

APPLIED DIGITAL SKILLS

Gain proficiency in utilizing the Applied Digital Skills platform through hands-on workshops tailored to educators and learners. Covering essential digital skills such as communication, collaboration, research, and problem-solving, participants explore real-world scenarios and practical exercises, acquiring the knowledge and confidence to navigate the digital landscape effectively.

GOOGLE CERTIFIED EDUCATOR BOOTCAMPS

Prepare for Google Certified Educator Level 1 or Level 2 certification with intensive bootcamps designed to equip educators with essential skills and knowledge. Led by experienced trainers, these immersive programs cover key concepts and tools required to excel in the certification exams, helping participants develop strategies for effective classroom integration, assessment, and collaboration.

GEMINI FOR GOOGLE WORKSPACE

As a Google for Education Partner, we offer professional learning options to help you get started with Gemini for Education. Gemini assists you in writing by refining existing work or helping you start from scratch, organizing by analyzing and acting on data quickly, ensuring you look and sound your best on video calls, and more. We are dedicated to helping you integrate Gemini into your school district and transform your teaching and learning experience.
