

FIVE STAR PROFESSIONAL LEARNING

We Bridge The Gap Between K-12 And Higher Ed

Preparing today's education faculty
to empower tomorrow's teachers

BUILDING THE NEXT GENERATION OF K-12 EDUCATORS

With our K-12 teaching and leadership experience, we provide specialized professional learning for teacher preparation and transition to teaching programs. We help grow the practice of future educators and equip them with essential skills needed for tomorrow's classrooms.

OUR SERVICES

We support teacher preparation and transition-to-teaching programs nationwide with a variety of professional services grounded in research and designed to enhance teaching and learning.

AI FOR EDUCATORS **GOOGLE BOOTCAMPS**

INTEGRATION OF CLASSROOM TECH **ADOBE**

INTEGRATED STEM **UNIVERSAL DESIGN FOR LEARNING**

See next page for our full list of services

OUR PARTNERS

Our longstanding partnerships with Google, Adobe, and other leaders in innovative educational tech uniquely position us to serve the ed-tech needs of teacher preparation programs.

**INDIANA
DEPARTMENT of
EDUCATION**

Five Star's Professional Development has it all. It enriches the learning experience and provides diverse perspectives; it promotes deep thinking about teaching methods that can significantly enhance pedagogical approaches.

OUR COMPREHENSIVE SERVICE OFFERINGS

INTEGRATION OF CLASSROOM TECH

Our professional learning in classroom tech integration equips educators with tools to evaluate and integrate tech in their courses while preparing future teachers to apply these strategies in their own classrooms.

AI FOR EDUCATORS

Our AI in Education learning experiences explore the transformative potential of AI tools, focusing on their seamless integration into educator preparation programs and classroom practices.

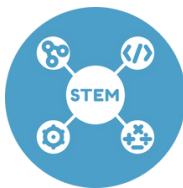

UNIVERSAL DESIGN FOR LEARNING

Our Universal Design For Learning professional learning empowers teacher educators to model inclusive teaching practices and equips future teachers with the skills to create engaging classrooms for all learners.

GOOGLE BOOTCAMPS

Enhance your digital skills, improve teaching methods, and foster more engaging learning experiences. Our training covers four distinct Certification types for Educators, Coaches, and Trainers.

INTEGRATED STEM

Our integrated STEM professional learning positions educator prep faculty to incorporate STEM into their instructional methodology and equip students with the skills to bring STEM into their classrooms.

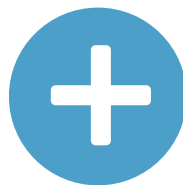

ADOBE FOR HIGHER ED

We're here to help you grow your students' creativity through the power of Adobe Express. Our hands-on sessions foster the development of essential digital literacy and creative communication skills.

CONNECTING LITERACY & STEM

Educators can equip themselves with the knowledge and skills necessary to create engaging, effective, and future-ready learning experiences for their students with our literacy and STEM offering.
