

# FIVESTAR Coaching

## Empower your classroom with coaching!

At Five Star, we empower teachers to create innovative and engaging learning experiences using digital tools. Our experienced coaches partner with educators to guide them through new strategies, program implementations, and personalized professional development sessions.

Whether it's fostering digital citizenship, integrating coding, or adopting new technologies, we help teachers build thriving classroom environments. We're here to support you in embracing the digital age, ensuring both you and your students can thrive in a rapidly evolving educational landscape.

### DELIVERY MODES

Coaching can be delivered onsite, virtually, or a hybrid of both.

### LICENSED EDUCATORS

All PD Specialists are licensed educators, equipped to support tech in classrooms.
