BUILD A CUSTOM SOLUTION TO MEET YOUR NEEDS

Empower your paraprofessionals with a comprehensive workshop series designed to enhance their skills and support diverse learners effectively. Our flexible offerings allow us to tailor learning opportunities to meet the unique needs of your team, ensuring they have the knowledge and tools to make a meaningful impact in the classroom. Partner with us to create a culture of inclusion and excellence within your school community, where every member feels valued, supported, and empowered to succeed.

HERE'S HOW WE CAN HELP:

Introduction to the Fundamentals: Gain a solid understanding of Universal Design for Learning (UDL), Student Well-Being, English Language Learner needs, and more! Paraprofessional workshops will help develop necessary strategies to support student learning in the classroom.

Tailored Training: Skills assessments are used to tailor workshops to your needs. From Chromebook training to pedagogical understanding, we'll build a solution that empowers success.

Become a Google for Education Pro: Our Google Certified Educator Bootcamps empower you to leverage the power of Google Workspace tools to personalize learning experiences and support students of all abilities.

Ongoing Support: Our comprehensive workshops go beyond theory and skill, providing practical strategies and resources for immediate classroom application.
