

AUGMENTING TECHNOLOGY INTEGRATION WITH

Blended Learning

FIVE STAR PROFESSIONAL LEARNING

JOIN THE BLENDED LEARNING REVOLUTION!

As educators, we understand the importance of creating a classroom environment where every student can succeed. Join us in exploring how to move beyond just using technology and create a truly blended learning environment. During this journey, you'll discover structures, routines, and tools for seamless blended learning.

DELIVERY MODES

Workshops can be delivered onsite, virtually, or a hybrid of both.

WORKSHOP CUSTOMIZATION

All of our workshops can be customized to fit your unique goals.

TAKEAWAY RESOURCES

All workshops come with takeaway resources to use immediately.

WHY ATTEND OUR WORKSHOP SERIES?

Empowerment through Understanding:

Dive into effective blended learning strategies.

Seamless Integration of Technology:

Foster a harmonious digital and physical classroom environment.

Customized Learning Approaches:

Seamlessly tailor education to all student needs.

Structured Progression for Educators:

Step-by-step guidance to implement blended learning effectively.

Engagement Amplified:

Elevate student participation and motivation through blended learning opportunities.

Blended Learning

FIVE EDUCATOR WORKSHOPS

- Introduction to Blended Learning
- Create Your Blended Space
- Models & Routines Part 1
- Models & Routines Part 2
- Address Learning Needs in a Blended Classroom

The modality of these workshops is your choice. You can choose from virtual, onsite, or a hybrid of both. Onsite sessions accommodate 30 participants and will be done in ½ day increments. Virtual sessions accommodate up to 250 participants, and are 1-hour each. Recordings are available for virtual sessions only.

VISUALIZE THE PROGRESS

Blended Learning Survey: The questions used in this survey were adopted from the survey provided in K-12 blended teaching: A guide to personalized learning and online integration.

Blended Learning Dashboard: Gain insight into teachers' skills, practices, and attitudes in blended learning. Compare opinions across cycles, buildings, and departments to pinpoint areas for improvement.

Data Discovery Workshop: Dive into the depths of your data to uncover valuable insights and opportunities, driving informed decision-making and strategic growth for your organization

SUPPORT YOUR LEADERS

Gain the knowledge and resources needed to cultivate responsible blended learning practices and create a supportive learning environment for all. Leadership sessions are available in both 90-minute and 1-hour virtual intervals to accommodate your schedule effectively.
