

STEP-BY-STEP GRANT SUPPORT

Your Premier Partner for K-12 EdTech Grants

UNLOCK GRANT SUCCESS WITH FIVE STAR PD!

Missed out on a grant due to time constraints or uncertainty about where to begin? We've been there too. As former educators, we know that time is precious, and grant applications can be a daunting task. At Five Star, we're here to simplify your grant journey. Our experienced team guides you through every step, from crafting a tailored plan for your PD objectives, providing comprehensive application support, to successfully reaching the finish line. Our aim is for you to confidently secure grant funds for your district!

TOPICS FOR TECH GRANT

We specialize in grants for Blended Learning, UDL, STEM, ELL, SEL, Google, and beyond!

DOCUMENTS FOR SUPPORT

We offer a custom service outline, pre-filled application, & budget template for a smoother process!

GRANT WRITING ASSISTANCE

STEP-BY-STEP GRANT SUPPORT

Your Premier Partner for K-12 EdTech Grants

The Five Star Grant Cycle

1

Grant Alert

When funding is available, your team coordinates a meeting with our grant expert, Miranda Thomas.

2

Initial Grant Call

We'll delve into your PD Goals & determine how Five Star can best support you. Notes will be shared afterward.

3

Specific Grant Resources

Your digital folder arrives with a pre-filled application tailored to our services, along with notes from our initial grant call.

4

Draft Assistance

Our copyeditor, Molly Rupert, provides your team with feedback, ensuring your responses align and tell your story.

5

Post-Approval

Congratulations! We quote services and prep PD scheduling. Your journey to success begins.
