

CRAFTING INCLUSIVE LEARNING SPACES WITH

Universal Design For Learning

FIVE STAR PROFESSIONAL LEARNING

UNVEILING THE POWER OF UNIVERSAL DESIGN FOR LEARNING

Explore the Universal Design for Learning guidelines to craft an atmosphere where every student can succeed. Discover avenues to elevate blended learning environments as we examine engagement, representation, and action & expression. Throughout this exploration, we'll strategize to minimize obstacles and foster successful learning experiences.

DELIVERY MODES

Workshops can be delivered onsite, virtually, or a hybrid of both.

WORKSHOP CUSTOMIZATION

All of our workshops can be customized to fit your unique goals.

TAKEAWAY RESOURCES

All workshops come with takeaway resources to use immediately.

BREAKDOWN OF OUR
WORKSHOP SERIES!**

WHY ATTEND OUR WORKSHOP SERIES?

Inclusive Learning Atmosphere: Foster success for all students with Universal Design for Learning principles.

Purposeful Engagement Strategies: Motivate learners effectively through varied engagement techniques.

Strategic Learning Approaches: Equip students with goal-directed actions and expressions.

Seamless Blended Learning

Integration: Bridge Universal Design for Learning principles with digital learning environments seamlessly.

Obstacle Minimization and Success Promotion: Strategize to overcome barriers for enhanced learning experiences.

Universal Design For Learning

FIVE EDUCATOR WORKSHOPS

- Introduction to Universal Design for Learning
- Engagement: Creating Purposeful and Motivated Learners
- Representation: Creating Resourceful and Knowledgeable Learners
- Action & Expression: Creating Strategic and Goal-Directed Learners
- Connection between Blended Learning and Universal Design for Learning

The modality of these workshops is your choice. You can choose from virtual, onsite, or a hybrid of both. Onsite sessions accommodate 30 participants and will be done in ½ day increments. Virtual sessions accommodate up to 250 participants and are 1-hour each. Recordings are available for virtual sessions only.

VISUALIZE THE PROGRESS

Survey: The questions used in this survey were developed by CAST, a nonprofit education research and development organization that created the Universal Design for Learning framework and guidelines.

Dashboard: Gain insight into your teachers' current skills, practices, and attitudes about teaching with Universal Design for Learning in mind. Identify changes in opinions from each survey cycle, compare results among buildings and audiences, and identify areas in need of the most attention.

Data Discovery Workshop: Dive into the depths of your data to uncover valuable insights and opportunities, driving informed decision-making and strategic growth for your organization

SUPPORT YOUR LEADERS

Gain the knowledge and resources needed to apply Universal Design for Learning principles and create an inclusive learning environment for all. Leadership sessions are available in both 90-minute and 1-hour virtual intervals to accommodate your schedule effectively.
