Five Star School & District Surveys

ARTIFICIAL INTELLIGENCE

FIVESTAR

Gain insight into your teachers' dispositions, technical readiness, and implementation towards Artificial Intelligence. Identify changes in opinions from each survey cycle, compare results among buildings and departments, and identify areas in need of the most attention.

Survey results are displayed on the dashboard in the following categories: **Disposition, Teacher Readiness** and **Implementation.** The survey asks staff if they: 1 = Strongly Disagree, 2 = Disagree, 3 = Agree, 4= Strongly Agree.

By viewing data in the Artificial Intelligence Survey Dashboard, you can identify changes in opinions from each survey cycle, compare results among buildings and departments, and identify areas in need of the most attention.

The sample set below comes from the Artificial Intelligence Survey

- Equitable access to AI is important for students' futures.

- AI can help me create personalized educational content for each student.

- AI can help me to be more efficient in my communications.

- AI technologies will impact students' lives and careers.

- I feel confident using AI tools in my classroom

- I feel prepared to guide students in their use of AI tools

- I use AI to identify areas where students need more help

- I guide my students in protecting their personal information when using AI tools
